FLEXIBLE STONE VENEER

The metallic stone veneer offers a shiny luster and a textured feel that enchants you the minute you walk in. Appropriate for furniture cladding and any interior feature wall applications where you could use a little glam up. Wet locations should not use the material.

Metallic textures and colors, whether they are highlights of metallic tone or dazzling, glossy silver, have a certain zest that sets them apart.

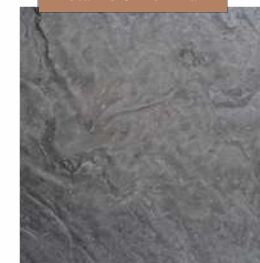

METALLIC STONE VENEER TEXTURES

Metallic Copper

Metallic Silver Dark

Metallic Golden

Metallic Rust

Land in a Flourishing Community

An excellent investment opportunity, Aero Sun City ticks off all the boxes for a promising return. The precisely and expertly positioned location of this project has been attracting big names across various investment entities. Quick commute, easily locatable, proximity to major organizational bodies, the possibility for striking infrastructure, and the most high-end amenities have been packed tightly into this exquisitely spread landscape.

DIVINE TRENDS
INSPIRING LIFESTYLES

2020
DECORATIVE LIGHTING

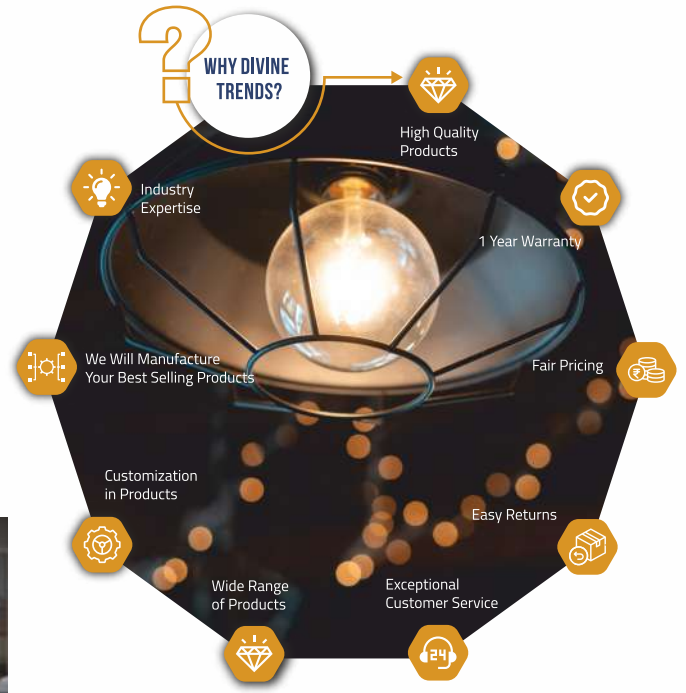

ABOUT DIVINE TRENDS

Divine Trends (Formerly The Lighting Store EST. 2010) understands the art and science of lighting and manufacturing international quality products.

We specialize in understanding the clients lighting requirements, right from designing to manufacturing and to servicing them with the focus to make our customers happy.

OUR PROMISE TO YOU

About us

We are experts in designing and delivering complete modular kitchen solutions, stunning wardrobes and timeless vanity units. We create impeccable, inspiring & luxurious designs that are adored by our clients and have impressed their visitors & neighbors!

Elegant design

Our products reflect elegance, featuring meticulously planned, exquisite designs to suit your home. We constantly reflect stylistic innovations that define the class to match the finest.

World-class Hardware

We selectively use globally recognized, excellently crafted, top of the line hardware to ensure you get the best available experience.

Premium Material

Never settle for less. With brilliant, inspired material options available in wood, ceramic & stainless steel, you will never be left wanting.

Luxurious finishes

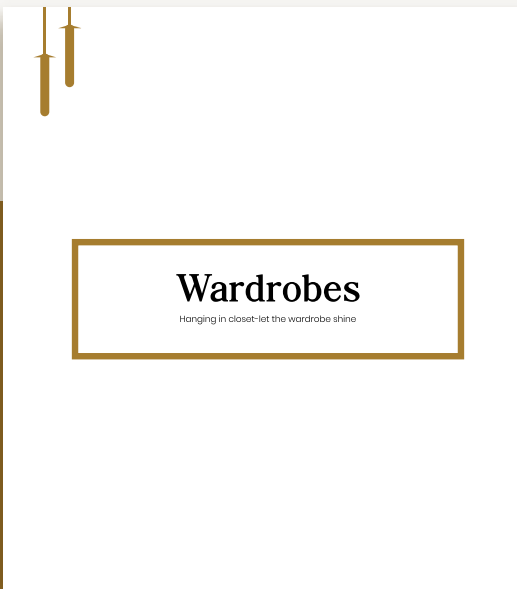

An endless choice of premium finishes to make your home unique in every possible way. The versatility of our colours and effects offer a remarkably high end look.

Superior quality

Whether it's your kitchen units, wardrobes or vanity units, we offer the most premium, hygienic & durable products that will stand the test of time.

Low maintenance

We feature the most durable, eco-friendly products with low to zero maintenance expenses that will ease your upkeep woes.

Wardrobes

Hanging in closet-let the wardrobe shine

Openable Wardrobes

For exceptionally practical storage space. These wardrobes offer both, versatility and quality. With cosy built-in shelves and classic neutral shades, perfectly suited for every home.
